

Description

The SUPRANET wire mesh tray offers superior performance in light industrial and commercial applications; it is sturdy, versatile, and easy to install, and comes with all the accessories you need.

Without the need for separate bends, risers, joints, or crossings, wire mesh trays can be fabricated to fit the application on-site.

Available:

- Galvanized steel (Zinc-Plated) / 2" and 4" high / indoor use
- 304L stainless steel / 2" high / indoor and outdoor use

**Tested to
NEMA Standard VE1-2002**
